LAST DAY OF TERM 1

Thursday 14 April

School finishes at 2.15pm

Tēnā koutou katoa whānau,

Just when we thought we had seen the back of positive cases within our school last week, we had a spike of new notifications over the weekend that resulted with the closure of Class 2 this week as well as the Jacaranda & Kowhai duplex also having to be closed for a day.

We also received our first positive cases this week from staff, unfortunately, it does mean that Class 2 will not be able to return back to school until Tuesday.

Even though we have seen a second wave of new notifications, I am still optimistic that the worst of omicron is behind us and for the first time I can see the light at the end of the tunnel.

I encourage students to consider playing a winter sport for our school and welcome any help whānau are able to provide with team coaching, managing and transport.

E whiwhi ai koe i nga hua a Tangaroa, me maku koe.

In order to the receive the treasures of Tangaroa, you need to get wet.

Have a wonderful weekend.

Nga mihi nui,

Come and experience a unique foot massage with Elizabeth.

"Your feet carry you everywhere so why not reward them"

The benefits of foot massage are extraordinarily good, improving circulation to your legs and feet, improving lymphatic drainage, releasing stress & mental tiredness, improving sleep, aiding in the release of toxins and improving blood flow while assisting with the acceleration of physical healing.

My foot massage begins with a hot foot soak in Himalayan Salt and a range of Absolute Essential pure oils, followed by acupressure strokes on your whole lower leg and finished with a selection of hot eucalyptus towels. Truly sublime.

Whether you are a mother who deserves to be pampered or a husband who would love to 'treat' his wonderful wife/partner, please do call and reserve your appointment.

I look forward to welcoming you.
