Don't miss this wonderful opportunity to see our schools' talented classical musicians perform. We have students from Class 2 through to Class 12 performing, as well as the high school string quartet.

If you are a classical musician of grade 4 level or above and haven't signed up yet, please see Amanda Lawrence or Mary Chun as soon as possible.

MPS CULTURAL FESTIVAL

Friday 16 September

The charity team and Cathy will be running a lunch bar that day to raise money to purchase sports equipment for the Refugee School. We would appreciate the community sending in international dishes to sell at the lunch bar on that day.

We also encourage children to come that day dressed in their national costume.

There will be a concert in the auditorium at 1.30 of performances of songs from around the world by Classes 1-7. Whānau welcome! Please note that school will finish later than 2.15 that day, but no later than 3.00pm.

We also invite individual students to perform songs or dances from their culture. Any individual items from students need to be shown to Amanda Lawrence by Friday 2 September.

Vote now!

Voting is now open for school board elections. Contact your local school for more information.

TE AO MĀORI

We have two new contributors to the te ao Māori section of the Friday Flyer. Our new librarian, Kura Rutherford, is going to work in collaboration with Troy Gardiner, the te reo Māori teacher at Taikura Rudolf Steiner School in Hawke's Bay, to provide content across both schools. This section of the newsletter will continue to promote te reo me ona tikanga Māori through sharing of kīwaha (idioms), whakataukī (proverbs), and by celebrating leaders, events and ideas from te ao Māori. This initiative is a wonderful opportunity to extend that connection between our two schools and to foster whanaungatanga (connections and relationships) amongst our broader Steiner community.

Introducing our contributors:

I am Troy Gardiner, otherwise known as 'Matua Troy', the Te Reo Māori teacher at Taikura Rudolf Steiner School in Hastings. I have been teaching at Taikura for the last 21 years. My partner is Janet Osborne and we have four tamariki, who are all now adults, continuing their lives in other parts of Aotearoa and overseas. We live in the coastal village of Haumoana! Hello to all the Michael Park community, thank you for the warm welcome to your beautiful school. I have recently taken up the role as school librarian here, after many years living in Hawke's Bay, where I was a parent at Taikura Rudolf Steiner School for 20 years, and more recently, the school librarian.

My husband and I both come from Te Taitokerau (Whangārei Heads and Opononi respectively), and we have two grown daughters who currently work in Wellington in areas of social policy, libraries and te reo Māori revitalisation. Our pōtiki, Emilie, has just started in Class 5 here at Michael Park. I have been lucky to work alongside Troy a lot at Taikura and benefited hugely from his support and wealth of knowledge - I am really happy to be able to continue that collaboration from this distance.

Ngā manaakitanga ki a koutou, nā Troy māua ko Kura
