

We value integrity, inclusivity, and respect, and enable students to become creative, critical thinkers who positively contribute to our community.

STRATEGIC PLAN 2023

Strategic Goals	2023
1. Plan for sustainable growth	<ul style="list-style-type: none"> • Board and Proprietors to investigate and implement strategies to promote the qualities of the school. • Strategic goal to ensure that the school is at the maximum roll and promote the school as a first-choice option for parents to choose to send their child too. • Explore effective and efficient initiatives promoting our school to bring in new families and students into the school and kindergarten. • Board and Proprietors to work at forming a plan to look at marketing strategies & opportunities. • (Low level fruit) Have promotional material made available to distribute throughout the community – networking out.
2. Improve wellbeing across all aspects of the Michael Park community	<ul style="list-style-type: none"> • Teachers will continue to develop culturally responsive strategies through professional learning to embed effective practices into their teaching & learning. • Provide PLD opportunities for staff looking at restorative practices to support student learning expectations. • Implement pastoral processes to support a positive learning environment for students and teachers. • Students will be able to discuss their time management strategies and how this links to their well-being with their Kaitiaki and other key staff.
3. Grow the understanding of what makes Michael Park School special	<ul style="list-style-type: none"> • Promote and use our vision/mission/statement in promotional material. • Construction and installation of a waharoa, showcasing our kura as a Steiner school & kindergarten in Aotearoa, New Zealand – bring the community along for the journey and celebrate it. • Development of main lesson and curriculum content throughout the school • Provide PLD opportunities for staff expand their understanding of Steiner pedagogy practices in the classroom to support student learning expectations.
