Tēnā koutou katoa whānau,

Me ngā mihi ki a koutou kua mahi i te ahiahi whatiwhati kāheru ki te hikitia i te kaupapa kura o Waiatarua.

We are thrilled to welcome you back to school for another exciting year! It is wonderful to see the familiar faces of our returning students and staff, and we are equally excited to greet our new whānau, teachers and students who have joined our community. A special mention to our new tamariki of Class 1.

Our school is buzzing with energy, and we can already feel the positive atmosphere as we dive into a new chapter of learning and growth. We look forward to building new connections and continuing to foster a caring and supportive environment for all our students, staff, and whānau.

Whether you are returning or just starting your journey with us, we can't wait to get to know each and every one of you better and work together to make our school year one to remember.

Here's to a fantastic term ahead! Welcome back, and welcome to all our new families. Together, we will make this an amazing year!

Have a wonderful long weekend.

Nga mihi māhana,
Desmond Pamerika
Tumuaki | Principal

ROOM AND LUNCH BAR BOOKINGS

Dana in the school office is now looking after all room bookings during and after school hours, including lunch bar bookings. Please contact danam@michaelpark.school.nz with any requests.

WELCOMING OUR NEW STAFF

- **Kerstin Anderson – Lower School Outdoor Classroom Teacher**

We were incredibly fortunate to have Kerstin with us last term, and we are absolutely delighted that she is joining us permanently in this role. Kerstin brings warmth, creativity, and a deep understanding of outdoor and experiential learning. She has already built wonderful relationships with students, and there is a real sense of excitement — from both staff and students — about having her in the school. We are very lucky to have you, Kerstin.

- **Jonathan Gabriel – Teacher in Charge of High School Media Studies**

Jonathan is currently the interim Acting Head of Department for Media Studies at Dilworth School and has previously taught at Manurewa High School and Mount Roskill Grammar School. He also brings English teaching expertise to our high school. As many of you know, Jonathan's wife, Miss Reid, is our HOD of Drama, and their daughter Luna has recently started in the kindergarten — so they are well and truly part of our community already. We are very pleased to welcome Jonathan to the team.

- **Thomas Huskinson – Class 6 Kaiako**

Tom brings over a decade of teaching and leadership experience across both New Zealand and international schools, including his current role as Year 5 Team Leader at Wakaaranga Primary School. He has strong experience in curriculum planning, student leadership, wellbeing initiatives, creative enrichment programmes, literacy leadership, and environmental education. Tom also has a long-standing interest in Steiner pedagogy and a genuine commitment to holistic, student-centred learning. We are very excited to have him working with our Class 6 students.

- **Mike Pavarno – HOD Technology (Hard Materials)**

Mike brings a strong trade-based background alongside extensive teaching experience. He spent over ten years as the Hard Materials

teacher at Glendowie College and is currently lecturing in Building and Construction at MIT, supporting learners working towards their Level 4 Carpentry qualification. His expertise spans carpentry, furniture making, engineering principles, workshop health and safety, and both unit and achievement standards. Mike's experience across secondary, tertiary, and industry contexts positions him extremely well to lead our High School Hard Materials programme.

- **Sue Lyons – School Counsellor (Lower School and High School, 2 days per week)**

Sue brings over 20 years of experience in education and is a highly skilled, compassionate school counsellor. She works using person-centred and integrative approaches and is deeply committed to culturally responsive practice. Sue has extensive experience supporting students, whānau, and wider communities and is strongly committed to partnership under Te Tiriti o Waitangi. She also brings a deep understanding of, and connection to, Steiner pedagogy. We are very grateful to have Sue joining our wellbeing team.

- **Zane Lee – Groundsperson**

We are delighted to welcome Zane, who joined our school community in Term 4 last year as our new Landscape and Grounds Specialist. Zane brings a wealth of hands-on experience from the construction and building industry, including expertise in waterproofing, electrical work, and general building projects. He is a reliable, hardworking, and outgoing professional who values teamwork and is always eager to learn new skills. Zane will be working closely with Mr Farley to maintain and enhance our school grounds, and we are excited to have him join our team.

- Alongside welcoming new colleagues, I also want to **warmly welcome back Mary Chun from maternity leave**. It is so wonderful to have you back with us. I was lucky enough to see photos of your beautiful daughter - she is absolutely adorable - and we're so pleased to have you back in our community.

A creative play day with Susannah

A creative play day with Susannah took place in the kindergarten in January with some incredibly happy tamariki. The amazing Ares – a highly creative senior student in Michael Park School – came to play too.

Singing, dancing, storytelling, making cats and jellyfish. Dressing up as mermaids and soldiers, and treasure hunting in the garden gave everyone a good time.

At Easter we're going to do it again!

Email Susannah at: susannahm@michaelpark.school.nz

CLIMBING THE WALL OF SUCCESS!

Fantastic results from the Auckland Regional Climbing Competition this weekend!

Three of our students climbed to the top of their age categories and took out **first place** in the Auckland Regional Climbing Competition.

Aleksei Dergilev (Class 3) took first place in the **Under 11** category

Mikhail Dergilev (Class 6) won the **Under 15** category

Benito Maher-Hampson (Class 11) secured the win in the **Under 19** category

The boys did extremely well in their performance, but also demonstrated the very best of what climbing has to offer — a genuine camaraderie. Throughout the competition they cheered each other on and shared in the joy of their favourite sport.

Congratulations to Aleksei, Mikhail and Benito on these outstanding results — a fantastic achievement!

Helping Hands of Michael Park

**Next meeting - Wednesday 18 February
6.30pm in the staffroom**

Our purpose is to assist, uplift, and nurture our school and its students, fostering a strong and connected community. We continue the legacy of the dedicated parents who helped build our kura and remain focused on action, solutions, and making a lasting impact.

Being part of Helping Hands doesn't mean committing countless hours - whether you can assist once or twice, or take on a larger role, every contribution makes a difference. We are a fun, energetic team of parents, grandparents, staff, and alumni who support the school through fundraising, community-building, and events.

We welcome all who want to get involved - whether in big or small ways. If you're ready to lend a hand, we'd love to have you!

If this sparks something for you, please contact Leah Corbett, leahd83@gmail.com

Kahore taku toa i te toa takitahi, he toa takitini
We cannot succeed without the support of those around us.

The Dhal Wala

The Dhal Wala needs you!
Desperately needing food containers. If they're lying in the back of a cupboard, or marinating in the back of your car, the Dhal Wala needs your support. Please drop them in at the kitchen. Thanks in advance!

COMMUNITY NOTICEBOARD

- Two happy MPS High School teens are wanting to live closer to the school and their friends, so our whanau is **seeking a 2-3 bedroom home available for rent**, ideally within walking distance. We currently travel from Hunua daily and it is just not sustainable. We are open to options, including furnished or unfurnished or even 3-4 nights mid week, if anyone has an AirBnB style property, as we plan to go home on the weekends. Please contact Natasha on natasha.sabatier@hotmail.com or 021 400 497.
- **Cleaner available:** Our lovely MPS cleaning team, Richard and Sunita, are available for your cleaning requirements! Commercial cleaning, carpets, windows and general cleaning. Contact Richard on 021 578 271.
- **Graphic calculator for sale** by MPS graduate. Casio fx-9750GII, comes with user guide - \$80. Great condition, only used for Year 12/13. Aria Berghan 022 382 1644
- MPS parent **searching for a desk to work at during school hours** (just while my daughter is at school, not weekends, evenings or holidays). Ideally within walking distance of school. I only need a small table and chair with internet access! Happy to koha \$ as suits you. If you have a small space available, please contact: shaylaunder@gmail.com

Contact the editor, Dana Marcroft at fridayflyer@michaelpark.school.nz
Guideline 250 characters maximum please. Deadline midday Thursday.

Sorry, we no longer publish graphic advertisements, except for Michael Park School activities, class fundraisers and Steiner-related events.

Behind Their Screens

A talk by Dr Samantha Marsh

Saturday 14 February

10-11.30am

\$15

Titirangi Rudolf Steiner School Hall

Tickets at <https://www.trybooking.com/nz/events/landing/18247>

This presentation explores:

- How social media and smartphone tech are designed to capture attention
- Why these designs often clash with how children and teens develop
- The impact of digital use on young people's wellbeing
- Practical strategies to help families navigate the digital world with confidence.

Dr Samantha Marsh is a Senior Research Fellow at the University of Auckland's School of Population Health. Her work focuses on child and adolescent wellbeing, particularly the impact of screen use and social media.

Her research has explored parent and teen experiences around social media use and what support families need in New Zealand. She is particularly interested in how digital technologies affect wellbeing, parent-child relationships, and healthy development.

Spot prize donated by
Little Reef and Friends!

WORKSHOPS

There are two workshops to choose from;

"Destiny as an expression of divine love"
Liza Lillcrap

"The Language of Love"

Ioanna Panagiotopoulos
In this workshop we will experience, through speech and movement, poetry that expresses the unfathomable well of love within the human being.

Your donations support our continuing work throughout New Zealand.

Thank you for your support.
